CAMP HANNAH & CAMP FRIENDSHIP: *Ages 5-12*

Campers enjoy traditional camp activities that include arts & creativity, sports & games, outdoor education, team building and more while discovering new things about themselves, others and the world around them.

BACK IN 2020! **CORE:** *Ages 12-14*

CORE

CORE (Creating Opportunities for Recreation Experiences) is a mixture of adventure activities, leadership skill development, and community engagement for campers who have aged out of the traditional day camp program.

NATURE BUGS: *Ages 4-6*

Nature Bugs

An introductory summer program for our youngest campers, Nature Bugs is designed for campers who want to explore the world around them while having fun with friends. Each weekly theme is paired with a children's book that inspires arts & creativity, outdoor education, and STEM activities and games.
